CHURCH OF ENGLAND PRIMARY SCHOOL

'Therefore encourage one another, and build each other up.'

Collective Worship

Date:	January 2023
Review:	January 2025

(1) Aim

The aim of this policy is to explain how Collective Worship is organised at St Cecilia's Church of England Primary School within The Keys Academy Trust.

(2) Introduction

Legislation, including the Education Act 1944 and the Education Reform Act 1988, requires every school to hold a daily Act of Worship or several acts of Collective Worship, which shall be mainly Christian in character. As Church of England Schools, we believe that Collective Worship plays an important part in children's social, moral, cultural and spiritual development. We acknowledge our Christian foundation whilst valuing the contributions of other faiths.

(3) School's Christian Vision

'Therefore encourage one another, and build each other up.'
(Thessalonians 5:11)

At St Cecilia's, our vision is to be a community where we celebrate everyone's gifts and where everyone flourishes and grows together

We encourage each other to use our gifts for the good of others and to build up our school as a whole. We have high expectations of academic success and strong pastoral care for all in our community.

Our School Values

We will live out our school vision through our school's Christian values. These values will govern the way in which we live our lives within the St Cecilia's community and will be modelled by staff and encouraged in our children.

(5) Key Points

(i) Aims of Collective Worship

The aims of collective worship in our school are:

- to build and develop children's character by giving them a strong moral and ethical foundation enabling them to contribute positively to both the school and wider community;
- to provide a strong foundation in understanding the nature of God and enable children to worship God in three persons as Father, Son and Holy Spirit;
- to enable children to explore, and reflect on, spiritual and moral issues, to deepen their own beliefs and explore the beliefs of others;
- to encourage children to worship by creating an atmosphere conducive to silent reflection, inner response and active participation;
- to develop children's knowledge and understanding of the big story of the Bible and its key concepts e.g. salvation, incarnation;
- to give children practical experience of prayer; the importance of prayer is explained and modelled;
- to explore emotions such as love, joy, hope, friendship, fear, tolerance, understanding forgiveness and reverence;
- to celebrate and give thanks for the beauty of life and living and to share moments of awe and wonder;

- to help children develop respect for and understanding of those with different beliefs and religious practices from their own.

ii) Withdrawing pupils from Collective Worship

The Law requires that every child should attend an act of collective worship on every School day. If any parent wishes to exercise their legal right to withdraw a child from collective worship, the Governors of the school will expect parents to discuss this with the Head of School. The Head of School is both responsible for the implementation of this policy and for ensuring that suitable arrangements are made for any children who are withdrawn from Collective Worship.

(iii) Planning

Collective worship at St Cecilia's is planned around weekly themes. The Collective Worship Co-ordinator and local clergy meet at the end of each academic year to review these themes and map out the themes for the following year. Detailed collective worship plans are then written for each term by the Collective Worship Co-ordinator.

(iv) Content

Every act of collective worship should include the elements of lighting the three candles, music, clear theme and purpose, focal point, Biblical reference, time for reflection, prayer, symbolic action and take away thought (see Appendix 1).

Over the course of the year, the weekly themes are designed to incorporate the following topics and concepts:

- the Christian values of kindness, service, truthfulness, forgiveness, courage and perseverance;
- the life, teachings and miracles of Jesus;
- stories, characters and themes from elsewhere in the Bible;
- the main festivals in the cycle of the Church's year;
- moral stories, festivals and celebrations from other faiths;
- the school's key code;
- British values (the rule of law, democracy, individual liberty and mutual respect and tolerance).

In addition to daily acts of collective worship, throughout the school year pupils attend services in church. Each term ends with a Communion Service for children in Key Stage 2.

We aim to involve a variety of people to lead acts of Worship and to invite parents and members of the local community to share in our Worship.

Collective Worship will be monitored by the school's Collective Worship subject leader, SLT and the foundation governors.
