

Maths – This term we will be learning about:

Number 6
Introduce 10 frame
Height & Length
Mass
Capacity

This half term our focus is planting and growing. We will explore the lifecycle of a butterfly and watch as caterpillars grow and change through the process of metamorphosis. We will look at other wildlife in the outdoor environment and develop new language around this. We will start to grow our own fruits and vegetables and discuss the importance of 'staying healthy' including healthy food choices and dental hygiene. In the kitchen we will prepare fruit smoothies to enjoy.

Expressive Art and Design – This term we will be learning about:

To explore the work of a famous artist.
To play instruments to express their feelings and ideas.
Respond to what they have heard,.
