

Maths – This term we will be learning about:

Composition of 5
Mass and capacity
Composition of 6, 7, 8
Length, height and time
Building 9 and 10
Explore 3-D shapes

This term our topic is about growing flowers and plants from seeds and exploring what they need to grow. We will be designing and building a bug hotel and investigating bugs and minibeasts. We will look at the life cycle of a plant and observe how it grows and changes over time.

We will talk about fruits and vegetables and how these foods are grown and the importance of them in our diets to keep us healthy. We will visit the St Cecilia's kitchen to make fruit kebabs and join in with the chopping and preparing of the fruit.

Expressive Art and Design – This term we will be learning about:

To explore the work of a famous artist.
Create collaborative artwork.
Share their creations, explaining the process they have used.

Communication and Language – This term we will be learning new vocabulary:

Soil, seed pod, seedling, roots, stem, leaves, flower head, fruit, wildflower, tree, vegetable, water, sunlight, nutrients, absorb, taller, growth
