Lesson plans will be adapted to ensure that the curriculum remains fully accessible and inclusive via remote learning.

The school will review the resources pupils have access to and adapt learning to account for all pupils needs by using a range of different formats, e.g. providing work on PDFs which can easily be printed from a mobile device.

Work packs will be made available for pupils who do not have access to a printer.

The school will also signpost families to the practical support that is available for reporting these concerns.

Data Protection

This section of the policy will be enacted in conjunction with the school's Data Protection Policy.

Staff members will be responsible for adhering to the GDPR when teaching remotely and will ensure the confidentiality and integrity of their devices at all times.

Sensitive data will only be transferred between devices if it is necessary to do so for the purpose of remote learning and teaching.

Any data that is transferred between devices will be suitably encrypted or have other data protection measures in place so that if the data is lost, stolen, or subject to unauthorised access, it remains safe until recovered.

All contact details will be stored in line with the Data Protection Policy.

Parents/carers are not permitted to use any school-owned equipment, for their own personal use.

Any breach of confidentiality will be dealt with in accordance with the school's Data Protection Policy.

Marking and Feedback

- Finished when returned to the relevant member of teaching staff.
- Returned on or before the deadline set by the relevant member of teaching staff.
- Completed to the best of the pupil's ability.
- The pupil's own work.

The school expects pupils and staff to maintain a good work ethic during the period of remote learning.

Pupils are accountable for the completion of their own schoolwork – teaching staff will contact parents via telephone if their child is not completing their schoolwork or their standard of work has noticeably declined.

Teaching staff will monitor the academic progress of pupils with and without access to the online learning resources and discuss additional support or provision with the Head of School as soon as possible.

Teaching staff will monitor the academic progress of pupils with SEND and discuss additional support or provision with the SENDCo as soon as possible.

The school accepts a variety of formative assessment and feedback methods, e.g. through quizzes and other digital tools from teachers, and will support them with implementing these measures for remote learning where possible.

School Day and Absence

Pupils will be present for remote learning by 8:45am and cease their remote learning at 3:15pm from Monday to Friday.

Pupils with SEND or additional medical conditions who require more regular breaks, e.g. sensory breaks, are not expected to do schoolwork during their breaks.

Pupils who are unwell are not expected to be present for remote working until they are well enough to do so.

Parents will inform the School Office no later than 8:30am if their child is unwell.

The school will monitor absence and lateness in line with the Attendance Policy.

Communication

The school will communicate with parents via email/letter and the school website about remote learning arrangements as soon as possible.

Members of staff involved in remote teaching will ensure they have a working mobile device that is available to take phone calls during their agreed working hours.

The school understands that pupils learning remotely have the right to privacy out-of hours and should be able to separate their school and home lives – communication is only permitted during school hours.

Members of staff will have contact with their line manager once per week.

As much as possible, all communication with pupils and their parents will take place within the school hours.

Wherever possible, pupils will have the opportunity for verbal contact with a member of teaching staff at least once per week via MS TEAMS.

Parents and pupils will inform the School Office as soon as possible if schoolwork cannot be completed.

Issues with remote learning or data protection will be communicated to the pupils' teacher as soon as possible so they can investigate and resolve the issue.

The pupils' teacher will keep parents and pupils informed of any changes to the remote learning arrangements or the schoolwork set via the School Office

Monitoring and Review

This policy will be reviewed on an annual basis by the headteacher.
