

St Cecilia's
CHURCH OF ENGLAND PRIMARY SCHOOL

'Therefore encourage one another, and build each other up.'

Sports Premium Report 2023-24

Vision and Values

At St Cecilia's, our vision is to be a community where we celebrate everyone's gifts and where everyone will flourish and grow together.

We encourage each other to use our gifts for the good of others and to build up our school as a whole with high expectations of academic success and pastoral care for all in our community.

Key Priorities and Planning for 2023-24

Total Money allocated: £12,000

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Introduction of multi sports club at lunch time.	Children	Priority 2 – Engagement of children in regular physical activity	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.	£945 for the additional coaches to support lunch club
Introduction of after school clubs – Funtastic to run	Children	Priority 4 – Broader experience of a range of sports and activities offered to children	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.	£1966.30 for coaches at A/S club
Year 5 additional swimming lessons	Children	Priority 2 – Engagement of children in regular physical activity	This will ensure that a greater number of children have achieved 25m swim before leaving the school.	£3663 for swimming lessons
Purchasing of sporting kit outside of typical equipment to enrich PE lessons	Children, Teachers	Priority 2 – Engagement of children in regular physical activity	Teachers will plan more enjoyable PE lessons with more specialised equipment.	£210
Purchasing of equipment to increase activity at Break times	Children, Teachers, Lunchtime supervisors	Priority 2 – Engagement of children in regular physical activity	Children will become more active during break and lunch	£221
Purchasing of Physical development equipment (EYFS)	Children, EYFS Teachers	Priority 2 – Engagement of children in regular physical activity	More children make the appropriate progression in physical development setting them up for an active life	£4995
Total Spend				£12,000

Key Achievements in 2023-24

Action – what did we do?	Impact
Introduction of multi sports club at lunch time.	40 children in total have engaged in the sporting lunchtime club on a Wednesday in either the Spring or the Summer Term. A greater number of children are reaching their daily activity goals
Introduction of after school clubs – Funtastic to run	The school has been able to offer free sporting clubs. A greater range of children have engaged in these activities. Greater range of sports have been offered rather than the mainstream sports of football.
Year 5 additional swimming lessons	More children in the school have had an opportunity to have swimming lessons. More children in the school are now swimming at the expected level. For the children who haven't achieved 25m they have significantly increased their water confidence, providing the children with a strong foundation for future lessons.
Purchasing of sporting outside of typical equipment to enrich PE lessons	Children are having the opportunities to experience a greater range of sporting activities, outside of the national curriculum.
Purchasing of equipment to increase activity at Break times	Children are more active during break time since the purchasing of break time equipment such as skipping ropes, hoops, basketball nets, basketballs, footballs.
Purchasing of Physical development equipment (EYFS)	Children in the EYFS have a greater range of PD equipment and will therefore have greater opportunities to reach their PD milestones which sets the children up for a future healthy lifestyle

Swimming Data

Question	Stats	Further comments
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	68%	We have a large number of children join us during the year with some of these not being able to swim.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	68%	See above
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	68%	See above
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?		We have done this for our year 5 students
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?		We use trained staff at swimming pool rather than school staff
