Spelling

- ▶ Whilst there are 108 words for children to learn to spell on the Y3/4 spelling list, in school we will focus on the rules, not the individual words.
- ▶ This enables pupils to apply these rules when spelling a range of words, e.g. -able/-ible - If the root word can stand alone, it is probably -able: collectable. If it can't, it is probably -ible: edible
- ▶ The next slides are spelling words which children need to know by the end of year. These can be practiced at home but the idea is they apply their spellings within their writing.

Reading

- ▶ It is expected that children will read daily at home. When children have completed their book (Myon), they will complete a quiz on Accelerated Reader at school.
- ▶ <https://global-zone61.renaissance-go.com/welcomeportal/2203736>
- ▶ Please hear your child read to build up their fluency. A fluency checklist will be in your child's reading record
- ▶ Accelerated Reader will quiz will check comprehension/understanding.
- ▶ Children will need to write their score in their reading record.
- ▶ If a child scores really low on a quiz, we may ask them to re-read the book.
- ▶ Please do not use the reading record as a communication book.
- ▶ Children who read 20mins+ per day make better progress academically.

Maths

- ▶ There is a focus on multiplication tables this year, as there will be a statutory test for the Year 4 children later in the year.
- ▶ By the end of **Year 3**, children are expected to know the facts for the 2, 3, 4, 5, 8 and 10 times tables, with corresponding division facts.
- ▶ By the end of **Year 4**, children are expected to know all multiplication facts up to 12×12 , and their related division facts.
- ▶ Children should have their log in details stuck in the reading Record

Safeguarding

Safeguarding Leads for the school are:

Mr Thomas and Mrs Gill

If you have any concerns, however small you may think they are, please make sure that you come and speak to us as soon as possible.

We are here to help!

Attendance

- ▶ We monitor closely all absences from school and ask our parents/carers to, when possible, to make medical and other appointments outside school hours.
- ▶ When a child is absent from school due to sickness, we expect that the school is informed before 9.30am via the school office. This allows us to be sure that we know where all the children are and do not need to spend time chasing parents/carers.
- ▶ Please read the parental attendance summary on the school website.

96%-100% attendance

Your child has the best chance of success!

90-95% attendance

Your child has missed at least 2 weeks of learning

85%-89% attendance

Your child has missed at least 4 weeks of learning

80%-84% attendance

Your child has missed at least 5 ½ weeks of learning

Below 80% attendance

Your child has missed at least 7 weeks of learning

Lateness

- ▶ Lateness also contributes to lost learning e.g. if your child is late 5 minutes each day they lose 3 days!
- ▶ Uncomfortable for children to arrive late as everyone watches them

Attendance

We review attendance at the school on a monthly basis

Children who have attendance under between 90% - 95% will receive letter informing parents of the attendance

If attendance does not improve then we will request meetings with parents

Term time Holiday

- Any request for term time off must be made in writing to the Head of School
- Only exceptional circumstances are considered e.g Funerals, Weddings, where dates are out of the family's control
- We can ask for evidence of the exceptional circumstance
- The biggest question we ask is, "Could the time off be avoided?"
- Term time holiday will be marked as unauthorised
- If children have more than 5 days off which is unauthorised, then is it likely that it will result in a fine.
- If fines are not paid then this can lead to prosecution
